

Introduction to Scaffolding Programme

A four-week course to recruit, train & retain scaffolding apprentices

- Do you struggle to retain staff and keep having to recruit?
- Do your apprentices struggle to complete their training courses?
- How much money have you wasted over the years on paying for training with little or no return?

Introduction to Scaffolding puts trainees through their paces, assessing their overall talent, aptitude and suitability for the job. It is a 12 day training programme delivered over a 4 week period.

- Learn how a scaffolding yard is set out
- Learn to safely carry and utilise the equipment as well as the correct procedures for storing, unpacking, loading and unloading it all.
- Learn how to maintain the kit so we reduce waste and the need to buy more.
- Get some experience on the job

Are you an employer? Did you know these courses are CITB-assured and delivered by an Approved Training Organisation?

If you meet the CITB Funding criteria then you may be eligible to apply for funding which can cover the cost of this course.
