

You're invited ...

Kirk Newsholme BREAKFAST, BRIEF & CONNECT

The secrets of succession:

Planning what comes next for your business...

Whether you're thinking about retirement, taking a step back in your business or planning ahead, having a clear succession strategy is essential to protect the value of your business... Join us to hear our tax experts discuss practical succession and exit strategies aimed at SMEs and family-owned businesses to help in understanding your options and make informed decisions about the future.
